What We've Been Talking About If you're interested in my reading list, or anything else, follow me here. What I'm Reading This Week So I don't feel guilty having only been reading two books this week. I'm reading the first book in the To Kill a Mockingbird series. It's set in the 1930s and written by Harper Lee. It's excellent. I also read the first book in the Uncharted Chronicles by David Sherman. I read the first two books in this series last year, so I was excited to read the first one in the new series. I also started reading the second book in the Republic of Thieves series by Marko Kloos. I'm about 2/3 through the book, and can't wait to finish it. Other than those, I read the first book in the The Beast Inside series by J.D. Martinez. I also read the first book in the Elemental series by Tom MacMaster. I'm about 1/3 through that series, so looking forward to finishing it. I read the first of the Two Boys series by Kami Garcia and Margaret Stohl. That book is really good. As always, if you've written about me in the past, feel free to let me know! What I'm Writing This Week I'm putting my writing efforts into play-testing the new edition of the Pathfinder Unchained adventure. Tremaine is the best! I honestly can't decide whether or not to continue running that campaign, since he's done so much for me. If you want to be a part of it, though, feel free to join in. I'm also working on an ebook for my son for his birthday (November 15th). It's a really cool idea, so I hope you enjoy it as much as I have. If you've written about me in the past, feel free to let me know. I'll be happy to write about you again. What's a Mom to Do? So, that's it for this week. I hope you had a great week, and don't forget to go vote for your favorite video games in our recent poll. All the best, Your mom. 82157476af
